Before you write a summary, read the piece you're summarizing, then make notes on what you think the main point and major supporting arguments are. When you're ready to draft your summary, start with the author and title,

# Online Library How To Write Anything A Complete Guide Kindle Edition Laura Brown

then use your own words to write what you think the author's main point is in each section. Be sure to focus on what the author thinks and feels rather than what you do! Finally, reread your summary and check it for good spelling, punctuation, and grammar.
