The History Of World In

The history of the world, in common parlance, is the history of humanity, as determined from archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies. Humanity's written history was preceded by its prehistory, beginning with the Palaeolithic Era, followed by the Neolithic Era. The Neolithic saw the Agricultural Revolution begin, between 8000 and 5000 BCE, in the Near East
