TREC is Canada's leader in the development of community owned renewable energy. We support co-ops, Indigenous communities and social enterprises with our Community Member & Investment Services, and inform policy through our research and advocacy efforts.

About | TREC | Renewable Energy

In 2011, during the 82nd legislative session, lawmakers passed SB 1000 designating TREC as a self-directed, semi-independent state agency. This status meant TREC would no longer be subject to the legislative budget or appropriations process at the Legislature—instead, the agency conducts business using the licensing fees it collects.
